

ELIGIBILITY REQUIREMENTS FOR Masters in Project Management (MPM)

An applicant for admission must fulfill the following requirements:

1. The applicant should have earned at least 2.0/4.0 CGPA or 45% marks in Masters/BS (4 years) or equivalent foreign qualification examination.
2. The applicant must appear in the online interview on a specified date and time.

Aggregate marks are computed according to the following formula:

- i. Masters/BS (4 years) Percentage Marks: 60% weight in merit aggregate.
- ii. Interview Percentage Marks: 40% weight in merit aggregate.

Note: In case of foreign qualification, verification from the HEC is required to be submitted after admission.
