

ELIGIBILITY REQUIREMENTS FOR BS (BBA, CS, MATH, PHYSICS, Environment Sciences, Chemistry)

An applicant for admission must fulfill the following requirements:

He should have earned at least **50%** marks in Intermediate/ DAE or equivalent foreign qualification examination excluding sports and Hafiz-e-Quran marks.

Aggregate marks are computed according to the following formula:

- a. In case of Intermediate stream:
 - i. Matric Percentage Marks: 40% weight in merit aggregate.
 - iii. First Year Percentage Marks: 60% weight in merit aggregate.
- b. In case of foreign qualification:
 - i. Marks earned in "O" level or equivalent: 40% weight in merit aggregate.
 - ii. Marks earned in "A" level or equivalent: 60% weight in merit aggregate.

Notes:

1. In case the candidate has already completed his/her intermediate or equivalent qualification, their Part-II result would be used in computation of Aggregate.
2. In case of foreign qualification, letter grade will be converted to marks by IBCC formula. IBCC equivalent certificate is required to be submitted after admission.
