

ELIGIBILITY REQUIREMENTS FOR MSc (MATH, PHYSICS)

An applicant for admission must fulfill the following requirements:

1. He should have earned at least **45%** marks in Bachelors (14 years) or equivalent foreign qualification examination excluding sports and Hafiz-e-Quran marks.

Aggregate marks are computed according to the following formula:

- i. Matric (or Equivalent) Percentage Marks: 20% weight in merit aggregate.
- ii. F.Sc. (or Equivalent) Percentage Marks: 20% weight in merit aggregate.
- iii. B.Sc. (or Equivalent) Percentage Marks: 60% weight in merit aggregate.

Notes: In case of foreign qualification, letter grade will be converted to marks by IBCC formula. IBCC equivalent certificate is required to be submitted after admission.
